## Firewise Committee Assistance Available

The Firewise Committee currently has funding available to help create defensible space around the homes of senior citizens who are physically or financially unable to do the work themselves. If you or someone you know may benefit from this assistance, please contact Dennis at [dp4ster395@gmail.com](mailto:dp4ster395@gmail.com).

In addition, the Firewise Committee can help residents obtain reflective address signs, which are highly recommended by the Happy Valley Fire Department to improve emergency response. These signs are available at a low cost. For more information, please contact Mike Sutter at [suttermd@gmail.com](mailto:suttermd@gmail.com).

Stay safe and fire-ready!

**Shasta County Public Works** is currently working on culvert pipe maintenance in the Happy Valley area. Please watch for flaggers and drive with caution in construction zones. If you encounter any issues or have concerns, contact Shasta County Public Works at (530) 225-5661.
