## What's New:

The Ag committee is happy to announce that a Happy Valley Farmers Market is starting June 22<sup>nd</sup> at the Lot next to Bonney's Burgers – 8am-11am. See flyer.

The Ag committee also met to discuss other items related to encouraging Agriculture in Happy Valley.

The Finance Committee has met to review the preliminary draft 2024-25 Budget for the District and the Board will meet as a Special Meeting June 5<sup>th</sup> at 6pm for a public review of the budget and provide direction for the planned final adoption at the June 19<sup>th</sup> meeting. Check the website prior to the meetings for the packet and information. The Board has reviewed on a quarterly basis the budget to actuals and made a few adjustments over the past fiscal year. The District was careful with its resources to pay the Federal Government WIIN act obligation and for the coming year will need to invest more into its infrastructure that has a lot of deferred maintenance.

## General Manager Note:

The District has had a lot of staff turnover over the past few months. A new administrative assistant will start at the end of June, and there are three new Distribution Operators starting the end of May. Our longest employee – the Distribution Supervisor also left, and the District is recruiting a replacement. Please be patient as all are learning the District and their duties.

Update on District Grants: The Backwash Ponds improvement project is a grant funded project with construction that is planned to start this summer. The Contractor is waiting to start the work on one of the ponds in mid-June. The project includes a clean and concrete lining improvement to the backwash ponds and for operational purposes, the first pond in 2024, the second in 2025 and closing out the project at the end of 2025.

Update/Education Section: The District started 2024-2025 Budget. See the above notes for more and check the website for the budget and booklet in mid-June.
