The California Irrigation Management Information System (CIMIS) is a program unit in the Water Use and Efficiency Branch, Division of Statewide Integrated Water Management, California Department of Water Resources (DWR) that manages a network of over 145 automated weather stations in California. CIMIS was developed in 1982 by DWR and the University of California, Davis (UC Davis). It was designed to assist irrigators in managing their water resources more efficiently. Efficient use of water resources benefits Californians by saving water, energy, and money. Visit the website @ [www.cimis.water.ca.gov](http://www.cimis.water.ca.gov).

**\* REMINDER \***

Clear Creek C.S.D. would like to remind customers to please call the District Office any time water service needs to be turned off or on inside the meter box. This will ensure that District valves will only be operated by District employees, thus protecting the customer from charges incurred if valves are broken or meters are damaged. A field staff member is on-call during the weekends and in the evenings. 530-357-2121

Coffee and treats will be served. There will be safety vest and trash bags on hand. Please bring gloves.

**Water houseplants with ice cubes.** Ice cubes will absorb slowly, preventing excess water running out. Cubes that were dropped on the floor work well for this tip.  
**Reuse old water.** Found a cup full of stagnant water on the nightstand? Water a houseplant or throw it in the garden.

## Hello Happy Valley Community!

I am sure most of you have been driving by and seeing all the commotion here at the old Jeanie's Diner! Well, we are proud to announce that we are opening a new, more modern family ran restaurant. Our goal here at P.I.B.B.'S Sports and Family Gathering is to provide a safe and enjoyable environment for all of our customers! Wondering what **P.I.B.B.'S** stands for; **P**izza, **I**ce cream, **B**urgers, **B**rews. We will also have a coffee station with infused red bulls and espresso, open at **6:00am!**

Wondering what the "**Squealer**" is? It's **P.I.B.B.'s** "specialty burger" a handmade patty with a perfect mix of ground top sirloin with a punch of ground smoked bacon, topped with our secret sauce, lettuce, tomato, onions, and pickle's on a toasted sesame seed bun! **YUMMY!**

We will have a sports room with TV's so you and the family can enjoy watching any sports you desire. Also we are working on getting our **free** Family Fun Arcade room set up so when the family is enjoying their time here, the kids can enjoy **free** arcade games too...yes, you read it right **FREE ARCADE GAMES!!**

On the other side of our restaurant we will have a more open style family dining area. This will be a great place to sit down with family and friends. Ask about our "**Winners Circle**" when you come in! Make sure you follow us on Facebook to stay up to date on the restaurant.

We are shooting for a **October 1, 2019** Opening date and would like to welcome you and your family to come check us out.

**We will be open 7 days a week from 6:00am to 10:00pm** (hours subject to change)

From our family to yours,  
We hope to see you all soon!!
