## A Message from your Water District

As we head into September, the days are getting shorter, the nights are cooler, and fall is just around the corner. At Clear Creek CSD, we are committed to keeping our community informed and our water flowing responsibly.

### ☀️ Welcome Our New General Manager

Clear Creek Community Services District is pleased to announce that Dale Mancino has been selected as the District's new General Manager. Dale will officially begin his role on Monday September 8, 2025. We are excited to welcome Dale and his family to the community and look forward to his leadership and service to our District.

### 💧 Fall Water Conservation Tips

Even though summer is winding down, conserving water remains important:

- Adjust your sprinkler timers – plants need less water as temperatures drop.
- Check for leaks in outdoor faucets and irrigation systems before the rainy season.

Every drop saved helps keep our water supply resilient!

### 🔧 Seasonal Maintenance Reminder

Cooler nights are on the way! Take a few minutes this month to:

- Inspect outdoor hoses and spigots for leaks.
- Clear leaves and debris from drainage areas.
- Plan ahead for winterizing exposed pipes.
